I also wish to increase the value of my donation by 28% as I am an income tax payer.

This declaration confirms my wish that PENHA treats all donations that I have made since 6th. April 2001 and donations which I made from the dates of this declaration until I notify you otherwise in writing as Gift Aid donations. I understand that PENHA may reclaim tax in the relevant tax year only to the extent that I pay at least an equal amount of Income or Capital Gains Tax in that period. I am a UK tax payer and I will advise PENHA if this situation changes.
