

DESMOND TUTU AWARD

Environmental advocate for nomadic pastoral communities across the Horn of Africa, Dr. Zeremariam Fre, has been awarded the 2018 Desmond Tutu Reconciliation Fellowship. The Fellowship, which this year focuses on environmental care, promotes reconciliation by bringing global support to individuals engaged in local projects. It recognises Dr. Fre's lifetime work supporting pastoral peoples, advocating for their rights to land and care of the natural resources that support them.

The Global Reconciliation Fellowship Awardee, Dr. Zeremariam Fre is a founding director and trustee of PENHA, and lecturer at the Development Planning Unit of the UCL (DPU-UCL).

For further information and events on the Fellowship award:
